LATEST PROFESSIONAL EXPERIENCES

User Interface Designer at Smarthis

oct 2023 • present

Responsible for creating engaging landing pages and to develop prototypes for the new features. In addition, I redesigned the platform's interface and updated the design system, to ensure consistency throughout the development process.

UX/UI Designer at SuperOpa

jan 2022 • aug 2022

I collaborated with the development and CX team on new features for the company app, including user testing, interaction design, and a style guide.

Digital Designer at Degrau Publicidade

may 2021 • dec 2021

Created visual identities for social media platforms, as well as designing layouts for landing pages, banners, catalogs, and other marketing materials. I also worked in basic video editings.

Digital Designer Intern at Brand Connect

mar 2020 • may 2021

As a digital design intern, I gained experience in designing social media posts, newsletters, banners, and landing pages. I also learned how to prototype, storyboard, illustrate, and edit videos. I had the opportunity to work with clients such as Schwarzkopf, ABC, RedBull, PayPal, Verizon Media, and Cox Automotive.

Web developer intern at Groove Company

nov 2018 • apr 2019

I've collaborated with experienced developers to design and build user interface screens for the company's platform. Using HTML5, CSS3, PHP and MySQL for database management and modeling.
